- (g) Contracting Party will permit access to its books, records and accounts, with respect to the Corporation Contract, by the AAO for purposes of investigation to ascertain compliance with the provisions herein.
- (h) The Contracting Party shall remit payment in a timely fashion, pursuant to the State and Corporation's Prompt Payment Policy, for work performed by M/WBE firms in connection with the Project.
- (i) The Contracting Party will include, or cause to be included, the provisions of clauses (a) through (h) in every purchase order or contract that it enters into in order to fulfill its obligations under the Corporation Contract, in such a manner that such provisions will be binding upon each and every Contracting Party with respect to any Corporation Contract or Subcontract.

III. Goals for Minority and Women-Owned Business Enterprise Participation

- (a) The Contracting Party is required to use its best efforts to achieve an overall M/WBE participation goal of % of the total dollar value of the Corporation Contract.
- (b) The goal for M/WBE participation in the conduct of the work is expressed as a percentage equal to the Contract price.
- (c) The total dollar value of the work performed by M/WBEs will be determined as:
 - (i) the dollar value of the work subcontracted to M/WBEs; or
 - (ii) where the Contracting Party is a joint venture including one or more M/WBEs as joint ventures -- the contract price multiplied by the percentage of the joint venture's profits/losses which are to accrue to the M/WBE joint venture(s) under the joint venture agreement; or
 - (iii) where the M/WBE is the Contracting Party -- the contract price.
- (d) Contracting Party will include, or cause to be included, paragraphs (a) through (c) in every subcontract or purchase order unless exempt by the Affirmative Action Officer, so that such provisions will be binding upon each Contracting Party.

IV. Best Efforts

For the purposes of this Agreement, it is understood that (i) best efforts are not limited to the efforts specified herein, and (ii) the role of M/WBE firms are not restricted to that of a subcontractor/subconsultant. Where applicable, M/WBE firms should be considered for roles as prime contractors. Such best efforts shall include at least the following:

- (a) Dividing the contract work into smaller portions in such a manner as to permit subcontracting to the extent that it is economically and technically feasible to do so;
- (b) Actively and affirmatively soliciting bids from qualified M/WBEs, including circulation of solicitations to Minority and Women's trade associations. Each Contracting Party shall maintain records detailing the efforts made to provide for meaningful M/WBE participation in the work, including the names and addresses of all M/WBEs contacted and, if an M/WBE is the low bidder and is not selected for such work or portion thereof, the reasons for such decision;
- (c) Making plans and specifications for prospective work available to M/WBEs in sufficient time for review;
- (d) Utilizing the services and cooperating with those organizations providing technical assistance to the Contracting Party in connection with M/WBE participation on the Corporation Contract;
- (e) Utilizing the resources of the New York State Urban Development Corporation Affirmative Action Department to identify New York State certified M/WBE firms for the purpose of soliciting bids and subcontracts; and
- (f) Encouraging the formation of joint ventures, partnerships, or other similar arrangements, where appropriate, to ensure that the Contracting Party will meet its obligations hereunder.

V. Reporting Requirements

Upon request, the Contracting Party shall periodically file, or cause to be filed, reports with the AAO detailing compliance with the provisions of this Agreement. Compliance reports, substantially in the format attached hereto as Exhibit 1, shall be filed at such times, shall contain such information and shall be in such form as the AAO may require.

VI. Non-Compliance and Sanctions

In the event that any Contracting Party violates any of the provisions of this Agreement, the Corporation may require that the following sanctions and remedies for non-compliance be imposed:

- (a) Summon the Contracting Party for a hearing with the Affirmative Action Officer.
- (b) After any such hearing, and a determination by the Affirmative Action Officer that the Contracting Party has failed to comply with any of these provisions, and the passage of time in which to remedy such failure has transpired, this Agreement may be cancelled, terminated or suspended, in whole or in part. Alternatively, the Affirmative Action Officer, in his/her sole discretion, may assess liquidated damages against the Contracting Party for failure to demonstrate its best efforts in complying with the Affirmative Action Program. Liquidated damages may be assessed in an amount equal to the dollar value of contracts that would have been realized by MWBE's if the goals had been achieved.
- (c) If such an award is assessed against any Contracting Party, (i) the amount of such assessment may be withheld from any monies due to the Contracting Party by the Corporation or; (ii) may be paid to the Corporation by the Contracting Party that has been found to fail to comply with the Affirmative Action Program. Any liquidated damages collected hereunder shall be paid into one or more MWBE technical assistance funds administered by the Corporation.
- (d) Such sanctions that may be imposed and remedies invoked hereunder, shall be considered independent of, or in addition to, sanctions and remedies otherwise provided by law.

WORK FORCE EMPLOYMENT UTILIZATION REPORT
SERVICE and/or CONSULTANT FIRMS
INSTRUCTIONS FOR COMPLETION

PURPOSE: The *Work Force Employment Utilization Report for Service and/or Consultant Firms* is prepared by all contractors, and subcontractors if any, providing services (skilled or non-skilled) or professional consulting services to a state agency to document their actual employment of minority group members and women during the period covered by the report. The report has a format similar to forms used by the Federal government for reporting equal employment opportunity data. When the *contract specific work force* can be identified, the report covers all employees (including apprentices or trainees) working on the project. If the contract specific work force cannot be separated out, the contract's *total work force* is reported. The completed reports are used by the contracting state agency to monitor the contractor's and subcontractor's compliance with the contract's equal employment opportunity requirements

GENERAL INFORMATION:

1. **Name of contracting state agency** and state agency code (five digit code).
2. **Reporting period** covered by report (mm/dd/yy to mm/dd/yy); check to indicate Quarterly or Semi-Annual Report.
3. **Contractor firm name** (prime contractor on summary report submitted to agency) and address (including city name, state and zip code); check if contractor is a NOT-FOR-PROFIT.
4. **Type of Report:** check to indicate whether report cover (i) the *Contract Specific Work Force* or (ii) the *Company's Total Work Force* (in the event the contract specific work force cannot be separated out).
5. Contractor **Federal Employer Identification number** or payee identification number (prime contractor i.d. on summary report); check to indicate prime or subcontractor report.
6. **Contract Amount** is dollar amount based on terms of the contract.
7. **Contract number** is the agency assigned number given to the contract (seven digits).
8. **Location of work** including county and zip code where work is performed.
9. Indicate **Product or Service provided** by contractor (brief description).
10. **Contract start date** is month/day/year work on contract actually began.
11. **Contractor's estimate of the percentage of work completed** at the end of this reporting period.

FEDERAL OCCUPATIONAL CATEGORIES: The contractor's work force is broken down and reported by the nine **Federal Occupational Categories (FOC's)** consistent with the Federal government's EEO-1 categories for the private sector labor force. These are: *Officials and Managers, Professionals, Technicians, Sales, Office & Clerical (Administrative Support), Craft Workers, Operatives, Laborers and Service Workers*. The categories are general in nature, and include all related occupational job titles. The contracting agency can provide assistance in categorizing specific jobs.

TOTAL NUMBER OF EMPLOYEES: Record the total number of all persons employed in each FOC during the reporting period, regardless of ethnicity (either working on the specific contract OR in the contract's total work force, based on the type of report indicated above). Report the total number of male (M) employees in column (1) and the total number of female (F) employees in column (2) for each FOC. In columns (3) thru (10) report the numbers of male and female *minority group members* employed, based on the following defined groups:

- **Black (not of Hispanic origin):** all persons having origins in any of the Black African racial groups;
- **Hispanic:** all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American or either Indian or Hispanic origin, regardless of race;
- **Asian or Pacific Islander:** all persons having origins in any of the Far East countries, South East Asia, the Indian subcontinent or the Pacific Islands;
- **Native American or Alaskan Native:** all persons having origins in any of the original peoples of North America.

TOTAL % MINORITY = sum of all minority group members (male and female) employed in the FOC divided by the total number of all employees in that FOC (column 1 + column 2).

TOTAL % FEMALE = total number of female employees in the FOC (column 2) divided by the total number of all employees in the FOC (column 1 + column 2).

TOTALS: column totals should be calculated (sum each column) for all FOC's combined. Total minority and female percentages should be calculated as shown above, based on the column totals.

SUBMISSION: The work force utilization report is to be completed by both prime and subcontractors and signed and dated by an *authorized representative* before submission. The Company Official's name, official title and telephone number should be printed or typed where indicated on the bottom of the form.

The **prime contractor** shall complete a report for its own work force, collect reports completed by each subcontractor, and prepare a summary report of the entire combined contract work force. The reports shall include the total number of employees in each occupational category for all payrolls completed in the monthly reporting period. The prime contractor shall submit the summary report to the contracting agency as required by *Part 542 of Title 9 Subtitle N* to the *NYCRR* pursuant to *Article 15-A of the Executive Law*.
