Land Bank Program Information

New York State's Land Bank Program was established with enactment of Article 16 of the New York State Not-for-Profit Corporation Law (the "Act"). Pursuant to the provisions of the Act, governmental entities that possess the power to foreclose on tax liens are permitted to create a not-for-profit corporation whose purpose is to facilitate the return of vacant, abandoned, and tax delinquent properties to productive use. Pursuant to Section 1603 of the Act, the creation of a land bank is conditioned upon approval of the New York State Urban Development Corporation d/b/a Empire State Development ("ESD"). The Act further limits the number of land banks permitted to be created in the state to ten.

The application and review process for ESD approval of land bank applications can be found in the ESD Land Bank Approval Guidelines which can be accessed on ESD's website at:
