No further environmental review is required in connection with the projects.

Affirmative Action

ESD's Non-Discrimination and Affirmative Action policy will apply to the projects. In the case of training, global export market service and productivity improvement projects, the grantees and/or the beneficiary companies, as applicable, are encouraged to provide for the meaningful participation of minorities and women in any job or training opportunities created by the projects and to solicit and utilize Minority and Women-owned Businesses for any contractual opportunities generated in connection with the projects.

For all other projects, unless otherwise noted on a project summary, grantees agree to use their best efforts to include minorities and women in any job opportunities created by the projects and to solicit and utilize Minority and Women-owned Business Enterprises for any contractual opportunities generated in connection with the projects.

Reallocation of Funds

ESD may reallocate each project's funds to another form of assistance, at an amount no greater than the amount approved, for the same project if ESD determines that the reallocation of the assistance would better serve the needs of the recipient and the state of New York. In no event shall the total amount of any assistance to be so reallocated exceed the total amount of assistance approved by the Directors.

Unless otherwise noted on a project summary, the ESD Employment Enforcement Policy will not apply because these projects do not directly create jobs.
