RE: Minority & Women Business Enterprise Participation Goals

The Minority and Women Owned Business Enterprise (“M/WBE”) participation goals were misstated in the original RFP. The original RFP indicates that the M/WBE goal consists of only 30% Minority Business Enterprise (“MBE”) participation goal and no specific goals for Women Business Enterprises (“WBE”). This is incorrect.

The correct M/WBE participation goal on this RFP is an overall goal of 30%, irrespective of specific MBE or WBE utilization. The contractor must utilize any combination of Minority or Women Owned Business Enterprises totaling 30% of the overall contract value.
