All comments and questions from offerers regarding a procurement should generally be in writing and must be addressed only to the contact person(s) identified in the solicitation document or otherwise identified to offerers.
- b. During the restricted period, offerers shall only communicate, with respect to any procurement, in the manner and with the individuals set forth in Section 2 (a) of this Policy.

  - ii. submit written questions as may be provided for in the solicitation document;
  - iii. participate in any pre-bid conference or site visit as may be provided for in the solicitation document;

  - ix. communicate with a member of the New York State legislature or legislative staff about the procurement.
- d. Offerers shall not attempt to influence the conduct of, and award of a contract under, the procurement in a manner that would result in a violation or an attempted violation of Section 73(5) (regarding certain gifts) and Section 74 (code of ethics) of the Public Officers Law.

- e. As early as practicable during the restricted period, the Corporation shall seek a written affirmation from each offerer as to its understanding of and agreement to comply with State Finance Law Section 139-j and this Policy regarding permissible contacts during the restricted period. Each respondent to a solicitation who has not submitted such an affirmation prior to submitting a proposal, must submit such a written affirmation with its proposal.

### 3. Recording of Contacts

Upon receiving any contact during the restricted period, Corporation staff shall make a record of such contact, including the name, address, telephone number, place of principal employment and occupation of the person or organization making the contact and whether the person or organization making the contact was the potential respondent itself or was retained, employed or designated by or on behalf of the potential respondent.

### 4. Violations of Requirements Regarding Permissible Contacts

- a. Any member, officer or employee of the Corporation who becomes aware that an offerer has violated the provisions of State Finance Law 139-j(3) or Section 2 of this Policy regarding permissible contacts during the restricted period shall immediately notify the General Counsel of the Corporation of the impermissible contact and shall provide the Corporation's General Counsel with a copy of the record of contact.
- b. If any member, officer or employee of a governmental entity other than the Corporation becomes aware that violation regarding permissible contacts with respect to a procurement has occurred involving such other governmental entity, then such member, officer or employee shall make a record of such impermissible contact and shall immediately notify the ethics officer, inspector general, if any, or other official of the other governmental entity responsible for investigating such matters, who shall in turn notify the Corporation's General Counsel and provide the General Counsel with a copy of the record of contact.
- c. Upon receiving notice of an impermissible contact with respect to a procurement, the Corporation's General Counsel will conduct an investigation to determine whether an impermissible contact occurred and, if so, whether such impermissible contact was knowing and willful. The investigation shall include review of the record of contact and may include an interview of the individual making the report and other involved staff. The investigation may include review of such other documents or the interview of such other individuals as the General Counsel in his or her discretion may consider appropriate.
- d. The Corporation's General Counsel shall endeavor to make a determination, within ten business days of receiving any notice of impermissible contact, whether sufficient cause exists to believe that the impermissible contact occurred and that such contact

was knowing and willful, but in any event shall make such determination before the award of a final procurement contract or contracts. In the event it is determined that sufficient cause exists to believe that the impermissible contact occurred and was knowing and willful, then the General Counsel shall notify the involved offerer of the date and nature of the alleged impermissible contact and of the preliminary determination that such contact was knowing and willful.

- e. The offerer shall be provided with an opportunity to submit a written response to the alleged impermissible contact within ten business days of receiving such notice. In the General Counsel's discretion, an interview with the offerer may be granted or required. In making a final determination regarding an allegation of impermissible contact, the General Counsel shall take into consideration any information provided by the offerer during the course of the investigation.
- f. In the event the General Counsel makes a final determination that an offerer has knowingly and willfully violated this policy or Section 139-j of the State Finance Law and such violation involved misconduct by a Corporation employee in the implementation of this policy, then the General Counsel shall report such instance of employee misconduct to the Corporation's President.
- g. The notice provided for in Section 4(d) above may be sent by facsimile transmission or electronic mail provided that hard copy of such notice is also sent by overnight, personal or other method of delivery providing a delivery receipt, to the offerer at the address listed on the report of contact, in the offerer's proposal or such other address as the General Counsel may deem most appropriate.
- h. Prior to awarding any procurement contract, the Corporation shall make a determination of responsibility with respect to the proposed awardee. In making a determination of responsibility with respect to any offerer, the Corporation shall consider the proposed awardee's ability to perform the services provided for in the proposed contract including but not limited to such factors as the offerer's financial capability; level of relevant expertise; depth and qualifications of staff; if applicable, the offerer's prior performance under contracts with ESDC or any subsidiary of ESDC or other instrumentality of the State of New York; and any prior findings of non-responsibility with respect to such offerer (by any governmental entity, as defined in section (1)(a) of State Finance Law Section 139-j) made within the preceding four years.
- i. Notwithstanding any of the criteria set forth in section 4(g) above, either of the following shall result in a determination of non-responsibility with respect to any offerer: (I) a final determination, pursuant to the procedure set forth in this section 4, that such offerer has knowingly and willfully violated the provisions of this policy or State Finance Law Section 139-j, and (II) the failure by such offerer to timely disclose accurate and complete information or otherwise cooperate with the

Corporation in administering this policy and the provisions of State Finance Law Section 139-j.

- j. In the event an offerer is determined to be non-responsible, such offerer and its subsidiaries and any related or successor entity with substantially similar function, management, board of directors, officers and shareholders shall not be awarded any contract pursuant to the procurement unless, by action of the Board of Directors, the Corporation finds that the award is necessary to protect public property or public health or safety and that the offerer is the only source capable of performing the contract. Any such action by the Corporation's Board of Directors shall state the basis for the finding of necessity and a record of the action and the basis shall be included in the procurement record.
- k. Any subsequent determination of non-responsibility due to a violation of State Finance Law Section 139-j within four years of a determination of non-responsibility due to such a violation shall result in the offerer's being rendered ineligible to submit a proposal on or be awarded any procurement contract for any governmental entity subject to the provisions of State Finance Law Section 139-j for a period of four years from the date of the second determination of non-responsibility.
- l. Upon making any determination of non-responsibility or ineligibility under this Section 4, the Corporation shall notify the New York State Office of General Services so that the offerer that is the subject of such determination will be included in the list of all offerers who have been determined to be non-responsible or ineligible, which list is published on the Office of General Services' website and is publicly available.

5. Required Contractual Provisions

Each procurement contract awarded by the Corporation shall contain (a) a certification by the offerer that all information provided to the Corporation with respect to State Finance Law Section 139-j is true, complete and accurate; and (b) a provision authorizing the Corporation to terminate the contract in the event such certification is found to be intentionally false or intentionally incomplete.

  - vii. a statement describing the basis for any action taken to terminate the procurement contract because of a false, incomplete or inaccurate certification of compliance with or other violation of State Finance Law Section 139-j.
