New York State can help you start and grow your business

At nyfirst.ny.gov you can:

>> Download Start-Up Resources

New York State offers a number of publications that will guide you through the process of owning and operating a small business in New York State. The *Starting a Business* and *Your Business* guides cover business registration, business structure, permitting, licensing, and a host of other common start-up issues.

>> Access a Directory of New York State Small Business Programs

New York State has made it easier to navigate over 140 small business programs offered by State agencies and public authorities.

nyfirst.ny.gov

>> Find Sources of Capital

New York State has made it easier to find information on a variety of financial incentives and sources of capital with tools such as the New York State Directory of Alternative Lending Programs.

>> Find Business Support Services in Your Area

Whether you need assistance in writing a business plan, preparing financial statements, or securing licenses or permits, we can direct you to the right resource.

>> Access Information on Selling to Government

Download the procurement guide "Doing Business with New York State" or view opportunities in the New York State Contract Reporter. If you are a Minority or Women-Owned Business Enterprise (M/WBE), find out how to obtain M/WBE certification and take advantage of New York State's M/WBE contracting goals.
