

## Grant and Funding Availability Notification

Empire State Development Corporation (“ESDC”) is issuing a Request for Proposal (“RFP”) and is inviting **federally-certified Community Development Financial Institutions\*** (“CDFIs”) to submit proposals for funding assistance through the CDFI Assistance Program. (“The Program”) The Program awards grants to help strengthen organization’s ability to serve minority and women-owned businesses and women entrepreneurs (“M\WBEs”) and small businesses. Award opportunities will be used in the areas of loan capital, loan loss reserve, institutional capacity and technical services.

ESDC will carefully evaluate proposals in terms of the applicant’s performance in meeting the goals and reporting requirements established under any previous Program agreements with ESDC. ESDC may choose not to consider proposals from organizations that are not in compliance with the reporting requirements of previous Program agreements. ESDC will consider an applicant’s funding needs in light of any funding they may have received through other ESDC programs. ESDC’s awards will also be weighed according to the CDFI’s lending pool size, performance, reach and impact in the M\WBE and small business community, as well as recent organizational growth or innovation. Read the entire RFP carefully before beginning work on a proposal, and take care to address requests for information contained herein. Full program details are available in the RFP.
