

ADDENDUM No.2 – June 26, 2014

INTERIOR ASBESTOS ABATEMENT
OF THE EPISCOPAL CHURCH HOME

1. The Construction Manager has informed me that there was a mandatory site visit to bid the project, which our company missed. Would we still be able to bid the project even without attending the initial meeting?
2. ESD RESPONSE: ESD will accept bids from contractors who did not attend the mandatory pre-bid meeting provided the contractor schedules and attends a walkthrough of the site as permitted in the Notice to Bidders. Additional site visits may be scheduled by appointment with the construction manager referenced in the bid documents.
