DIVISION OF MINORITY AND WOMEN'S BUSINESS DEVELOPMENT

Annual Report Fiscal Year 2010-2011

The Division of Minority and Women’s Business Development

Executive Law Article 15-A (§§ 310-317) governs requirements for the participation of minority- and women-owned business enterprises (“MWBEs”), minority group members and women in New York State contracting. The objective of Article 15-A is to promote equality of economic opportunities for MWBEs, minority group members and women and to eliminate barriers to their participation in state contracting.

The Division of Minority and Women’s Business Development (“DMWBD” or the “Division”) oversees the statewide MWBE program operated by “state agencies” (which includes, inter alia, state agencies and public authorities) as defined by Article 15-A. The Division is charged with three primary functions: (1) to encourage and assist state agencies that are engaged in contracting activities to award a fair share of state contracts to MWBEs; (2) to review applications by businesses seeking certification as an MWBE and to maintain a directory of certified MWBEs; and (3) to promote the business development of MWBEs through education and outreach to state agencies and MWBEs.
