Pacific Park *brooklyn*

Community Notice **Night work on Thursday, April 16, 2015** **Temporary Street Closure on** **6th Avenue between Atlantic Avenue & Pacific Street**

During the overnight hours of Thursday, April 16th the contractor will be trenching across the 6th avenue intersection at Atlantic Avenue. This work is needed for the installation of shoring for a Verizon conduit servicing the arena and to prepare for the temporary water and sewer utility relocations which will occur within the same trench. The trench will be covered with road plates following the installation of shoring and conduit.

While this work is underway, the crosswalk along the south side of Atlantic Ave and the sidewalk along the east side of 6th Avenue will remain open; the northbound travel lane between Pacific Street and Atlantic will be closed. Individuals looking to cross to the north side of Atlantic Avenue will be directed to do so at the intersection of Ft Greene Place and Atlantic Avenue. Flagman will be posted at the intersections of Pacific Street/6th Avenue and Atlantic Avenue/6th Avenue to direct traffic and pedestrians.

Given the need to close the intersection at Atlantic Avenue and 6th Avenue, this work is being performed at night pursuant to the DOT work permit; work would commence after 9:30 pm and is expected to take 8 hours.

While the work is underway, the contractor will have directional lighting in the work area and will be using various equipment, including excavators, hoe rams with a mounted jackhammer and a boom truck.

As always, please feel free to reach out to our offices with any questions or concerns.

Thank you for your time.
