

COMMUNITY NOTICE

Temporary Changes to the Roadway Network from
Saturday, May 9th, 6AM until Sunday, May 10th, 2015, 9PM

As part of the construction of the Green Roof at Barclays Center, a construction crane currently located at the northwest corner of Dean Street and 6th Avenue will be disassembled, requiring these temporary roadway closures:

- **Dean Street, between Flatbush and Sixth Avenues** will be closed intermittently
- **Sixth Avenue, between Pacific and Bergen Streets** will be closed intermittently

These closures will necessitate the temporary detour of vehicle, pedestrian, bus and bicycle traffic from the affected blocks. Traffic Enforcement Agents will be provided to assist with vehicular and pedestrian movements. Variable Message Signs will direct drivers to the approved detour routes, which are shown on the map below.

Sidewalks in work zone areas will remain open only to residents and visitors of affected blocks. Dean Street between Sixth and Carlton Avenues is only open for local traffic.
